COMMISSIONING INFORMATION

***Marking the acceptance of USS RAFAEL PERALTA
as a unit of the operating forces
of the United States Navy***

Participation

The commissioning ceremony is an official U. S. Navy event for which there is no admission fee. Admission is, however, by invitation only due to limited seating. Invitation lists will be submitted by crew members, U. S. Navy organizations involved in the ship's construction and the San Diego Council of the Navy League which has accepted the responsibility of sponsoring the events that accompany the commissioning ceremony. These are memorable events not only for the San Diego community, but especially for the members of the USS RAFAEL PERALTA's crew and their families, and we are requesting your assistance in this effort. Your contribution will enable us to conduct these celebratory events that honor the ship, her Commanding Officer and crew and reflect the pride of our community in a ship named after a United States Marine who grew up in San Diego, graduated from Morse High School, and gave his life saving others during Operation Iraqi Freedom.

If you only desire to attend the ceremony, please visit the "Participate in the Commissioning Week Events" page on our website at peraltacommissioning.org. We expect invitations will be mailed about 2-3 weeks prior to the ceremony, which will take place in Summer 2017. Requests for tickets should be received at least 60 days prior to the ceremony.

If you are interested in contributing to our community's support efforts, there is no need to email in a Commissioning ticket request, tickets are included with your contribution and coordinated by the Commissioning Committee. Please review the accompanying contribution levels and select one that you feel is appropriate. The events supporting the commissioning are not paid for by the U. S. Government but are privately funded by individuals and companies through the San Diego Council of the Navy League, a non-profit organization. The beneficiaries of these funds will be the ship, her crew and their families. With your help, we will provide an unforgettable experience for you, our city and the Sailors of the USS RAFAEL PERALTA.
